Dentists / Orthodontists

Membership opens the door for your business to exchange ideas with other talented leaders in business, community, and government.

MEMBER EVENTS ARE BUILDING COMMUNITIES AND CREATING CONNECTIONS

By Eileen Dautrich, TCACC President

The TriCounty Area Chamber of Commerce, within the last two months, has held a very successful Membership Breakfast, Pottstown Progress Luncheon, and Boyertown Area Progress Dinner. In January we had a panel presentation at our Membership Breakfast focused on “Internships – Are They Right for My Business.” The February Pottstown Progress Luncheon featured three legislators sharing insight into all the ways Pottstown is progressing, and the Boyertown Area Progress Dinner program featured the annual Boyertown Area Progress Dinner video that is designed, showcases, and is recorded by the students and teacher in the telecommunications department at Boyertown Area High School.

These 3 events were a great way to focus on the Chamber’s first cornerstone, Building Communities. We have already heard multiple stories of Members following up with each other after the breakfast working on providing opportunities for our local students. The Pottstown Progress Luncheon and the Boyertown Area Progress Dinner were events that we have held for a number of years, and we enjoy showcasing the progress and positive going on in specific communities within our tri-county region.

Our next 2 larger events were and are focused on our second cornerstone, Creating Connections.

We held a Creating Connections Mixer on March 30. The event was held at Rivet: Canteen and Assembly. This was our first event at this Chamber Member venue, and we were excited to welcome our Members to this very cool space. At this Mixer, the TriCounty Chamber also held our 1st Ever Celebrity Bartender Night! We were very excited to add this new component to this event. Each “celebrity bartender”, during their half hour shift, was competing to get the most tips and those tips were donated to a non-profit of their choice. Rich Newell, President & CEO of Pottstown and Phoenixville Hospitals –

Tower Health donated to TriCounty Community Network. Rick Patel, President of Diamond Credit Union, raised donations for Boyertown Area Multi-Service. Our newly re-launched Young Professionals program was represented by Megan LaRosa, AVP Cash Management Sales Officer with Tompkins and her tips were donated to the TriCounty Area Chamber of Commerce Foundation, Inc. Closing out our event was Peggy Lee-Clark, Executive Director of Pottstown Area Economic Development and her tips were donated to Pottstown Area Economic Development. Also, a huge thank you to Diamond Credit Union for sponsoring the March 30 event. We had a great night, a lot of fun, and we look forward to doing this again!

That brings us to our big night! The ‘BE IN THE ROOM’ event, the TriCounty Area Chamber of Commerce Annual Dinner. Just as the Mixer mentioned above focused on Creating Connections, the Annual Dinner is the night for Connections. The networking reception is the perfect opportunity to rub elbows and catch up with connections that you already have or meet the next, right connection for your business. On April 26 we will welcome Kay & Shi – Entrepreneurs, Speakers, Sisters – as our keynote speakers.

About our speakers – “When Kay & Shi were 10 and 17, their parents quit their careers and “bet it all” to buy a tiny breakfast restaurant in a California ski town. The sisters instantly gained a front row seat to the drama of American entrepreneurship, and joined the ownership to help grow the business into a national brand featured on Food Network, in The New York Times, Forbes and more. The sisters maintain ownership of the 8-figure restaurant chain and serve as co-chairs of the board.” We are excited for their presentation next month and know that their talk will have an impact on our Members as Kay & Shi spent time speaking with our Membership to learn about the business climate in our region. Don’t miss the opportunity to “Be in the room!”
